

University of Miami

Spring 2021 Semester

as of 11/28/2020

Below are courses that are NOT available for remote learning during the Spring 2021 semester given the nature of certain courses and accreditation requirements. However, these courses are available either as in-person or hybrid courses. Please note this list is not exhaustive and students will need to work with their academic advisor and professors to determine the availability of remote learning for their courses.

School of Architecture

All courses are available for remote learning.
