

Undergraduate students who live on campus will be required to make an appointment for an on-campus test via MyUHealthChart.

If you do not have an active MyUHealthChart account, you will receive a text message with 2 links.

1. Link to Instant Activation for MyUHealthChart Account
2. Link to Schedule the appointment

Note: If you have an active MyUHealthChart account, you will only receive the link to schedule your appointment. Refer to page 2

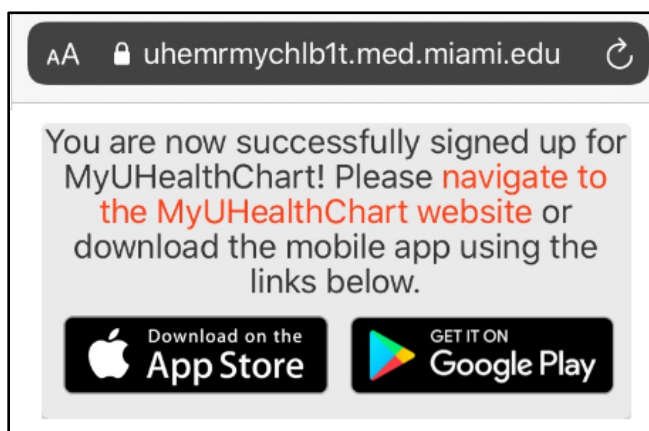

Message from UHealth: Time to schedule your regular testing for COVID-19. Please activate your MyUHealthChart account to communicate with your care team [Link] 1

After your MyUHealthChart account is created, please click this link to schedule your appointment. [Link] 2
Reply 'STOP' to OptOut.

Activating your MyUHealthChart Account:

1. Click the first link on your text message.
2. Create your own Username and Password.
3. Enter your Date of Birth
4. Click checkbox to agree to the Terms and Conditions.
To review terms and Conditions click on the link.
5. Click Submit

Once account has been activated, you will receive the following text message:

Scheduling your appointment via MyUHealthChart:

Once you click on the Second link, the Symptom Checker displays. Click on **USCREEN Surveillance Program**.

Symptom Checker

You'll answer a series of questions to narrow in on your symptoms. We'll reference your chart while you use this tool. We'll provide you with next steps to take.

Select one of the symptoms below to get started.

USCREEN Surveillance Program
UScreen Random PCR Surveillance Initiative
